Unlucky in love and gun-shy after the epic failure that was her marriage, Lexie Berry is looking for nothing more than a girl's night out as she joins her friends for drinks and good music at Club Decadence. She didn't plan on sexy Master Jonas capturing her eye and sparking more than her interest. He's a Dom though and she hasn't had sex in six years, not since her husband had violently attacked her in a drunken rage. But he's an expert at rope bondage, her guilty fantasy that she's kept secret for years. In fact, he teaches classes in Shibari at his new MMA studio. Can she move beyond her past and be brave enough to explore with Jonas. Can he be the one to unbind her constricted and bruised heart.

Jonas Mitchell: Rossi agent, ex-Green Beret and karate grand master, is looking for a submissive. Tired of the revolving door of subs at The Club, he'd like to settle into a long-term relationship and find happiness like many of his friends. Lexie seems perfect for him, she's tall, beautiful, experienced in some of the softer, more sensual martial arts and best of all, she is submissive. He can tell, but she hasn't realized it yet, never exploring that side of her personality. Lexie, he finds she knows more and has more of an interest than she lets on. He decides to take her under his wing, introduce her to BDSM and Shibari, as they explore a D/s relationship.

As Jonas and Lexie grow closer, the Mendoza cartel infiltrates southwest Texas despite the efforts of the Rossi group and the joint taskforce. It once again hits too close to home in a near fatal shoot with the Mendoza kingpin himself at the clinic where Lexie works. In the midst of this violence, the blackmail threats continue in an attempt to close Club Decadence down, for good. Catch up with old friends in this latest edition to the Club Decadence series, as fast paced, intriguing, and full of BDSM adventures as the others in the series.
